## MABEL'S BIO:

MABEL GOT INTO SNOWBOARDING WITH A GOAL OF BEING THE FIRST EVER "AIR-PHIBIAN". THAT'S AN AMPHIBIAN WHO IS INTO EXTREME SPORTS. IT'S NOT IN THE DICTIONARY YET, BUT WHO KNOWS?

SNOWBOARDING IS NOT MABEL'S ONLY NON-FROGLIKE HOBBY. SHE'S ALSO A COMPETITIVE DANCER. AS A TADPOLE, WHEN ALL HER YOUNG POND MATES EAGERLY ANTICIPATED THE DAY THEY WOULD SPROUT LEGS SO THEY COULD HOP TO THE NEXT PUDDLE OVER, MABEL WAS FANTASIZING ABOUT SLAPPING ON SOME LEG WARMERS AND HITTING THE DISCO.

WHEN SHE'S NOT SNOWBOARDING OR DANCING, MABEL ENJOYS SPENDING TIME WITH HER 136 SIBLINGS.

Carefully cut along dotted lines.  
Please assist young children with  
scissors. Cut slots in snowboard and insert  
tabs on Mabel's feet. Use tape where necessary.
