OLLIE'S BIO:

OLLIE LEARNED TO RIDE A SKATEBOARD IN AN ATTEMPT TO INVENT A NEW CAR CHASING TECHNIQUE, BUT IN AUGUST, 2008 HE QUIT THE CAR CHASING GAME ALTOGETHER WHEN HE ACTUALLY CAUGHT AN SUV AND REALIZED HE COULDN'T AFFORD THE GAS. SKATING, HOWEVER, REMAINS HIS PASSION.

OLLIE ALWAYS WEARS HIS HELMET FOR SAFETY WHEN SKATING. AS FOR THE TUBE SOCKS, WE'RE NOT SURE WHAT THAT'S ALL ABOUT. BUT WHO'S GOING TO CRITICIZE A 160 LB. ROTTWEILER FOR HIS SOCK CHOICE? NOT ME.

Carefully cut along dotted lines. Please assist young children with scissors. Cut slots in skateboard and insert tabs on Ollie's feet. Cut ear slot in helmet and insert ear into slot. Use tape where necessary.
